

OLMSTED COUNTY VENDOR WELCOME

July 21st - July 27th, 2025 Commercial and Food Vendors

To whom it may concern:

Thank you for considering becoming a new or returning vendor at the 2025 Olmsted County Fair. We have continued to see increases in attendance and the quality and quantity of events offered at the fair. We will continue to work with the Olmsted County Sheriff's department, Rochester Police Department and C.E.R.T to help ensure everyone's safety as they attend the fair in 2025. Our goal is to provide a record-breaking year in 2025 for our organization and yours.

The grounds will see minor changes in 2025. However, in the next few years the grounds will be undergoing larger changes. Some of those changes include the horse and dairy barns being torn down in order to make way for a new exhibition building. We are looking forward to the continual update of our grounds and the services that it will provide for our community. Please stay tuned for additional updates as we strive to make additional improvements to our fair.

In addition to the grounds' changes, we have also made updates to our vendor contracts. As of 2025, the booth fee for indoor commercial vendors has been decreased. Please read through the application carefully, as there are also a few other changes throughout. As a reminder, you are no longer required to purchase beverages exclusively from Gillette Pepsi.

Please feel free to reach out to us at vendors@olmstedcountyfair.com with any questions regarding this information.

Once again, we appreciate your interest in joining us at the 2025 fair. We hope to see you have a successful week, as we hope to see our success and attendance continue to increase. You and other vendors like you are a vital part of our event, and we believe it is essential to help you be a successful partner at our event. We look forward to working with you this summer.

Sincerely,

The Olmsted County Fair Board

Information for Sellers and Event Operators

Operators/organizers of craft, antique, coin, stamp or comic book shows; flea markets; convention exhibit areas; or similar events are required by Minnesota law to get written evidence that persons who do business at the show or event have a valid Minnesota tax ID number.

If a seller is not required to have a Minnesota tax ID number, the seller must give the operator a written statement that items offered for sale are not subject to sales tax.

All operators (including operators of community sponsored events and nonprofit organizations) must obtain written evidence from sellers.

Certain individual sellers are not required to register to collect sales tax if they qualify for the isolated and occasional sales exemption. To qualify, all the following conditions must be met:

- The seller participates in only one event per calendar year that lasts no more than three days;
- The seller makes sales of \$500 or less during the calendar year; and
- The seller provides a written statement to that effect, and includes the seller's name, address and telephone number.

This isolated and occasional sales provision applies to individuals only. It does not apply to businesses.
