

## OLMSTED COUNTY VENDOR WELCOME

July 27<sup>th</sup> – August 2<sup>nd</sup>, 2026 Commercial and Food Vendors

To whom it may concern:

Thank you for considering becoming a new or returning vendor at the 2026 Olmsted County Fair. We have continued to see increases in attendance and the quality and quantity of events offered at the fair. We will continue to work with the Olmsted County Sheriff's department, Rochester Police Department, Mayo Ambulance Services, and C.E.R.T to help ensure everyone's safety as they attend the fair in 2026. Our goal is to provide a record-breaking year in 2026 for our organization and yours.

The grounds will be undergoing major changes in 2026. Some of these changes include the horse and dairy barns being torn down in order to make way for a new exhibition building, animal exhibitions being moved to the grandstands, and a change in the layout of the midway. The midway will terminate north of the Beef Barns (Graham 3 Arena) and extend west onto 15<sup>th</sup> ST SE. The carnival will be located in the same space, but in a narrow and longer arrangement. The beer gardens will be outside located in the grassy area on the NW side of the midway. Additionally, the grease dumpster will be relocated to the gravel near the horticulture building. Please note, these changes will affect the layout for the 2026 fair ONLY.

We understand that these changes may provide some challenges for the 2026 fair. However, the Olmsted County Fair Board greatly appreciates your patience, understanding, and flexibility regarding this year's fair. We are looking forward to the continual update of our grounds and the services that it will provide for our community. Please stay tuned for additional updates as we strive to make additional improvements to our fair.

Please feel free to reach out to us at [vendors@olmstedcountyfair.com](mailto:vendors@olmstedcountyfair.com) with any questions regarding this information.

Once again, we appreciate your interest in joining us at the 2026 fair. We hope to see you have a successful week, as we hope to see our success and attendance continue to increase. You and other vendors like you are a vital part of our event, and we believe it is essential to help you be a successful partner at our event. We look forward to working with you this summer.

Sincerely,

The Olmsted County Fair Board

# Information for Sellers and Event Operators

---

Operators/organizers of craft, antique, coin, stamp or comic book shows; flea markets; convention exhibit areas; or similar events are required by Minnesota law to get written evidence that persons who do business at the show or event have a valid Minnesota tax ID number.

If a seller is not required to have a Minnesota tax ID number, the seller must give the operator a written statement that items offered for sale are not subject to sales tax.

All operators (including operators of community sponsored events and nonprofit organizations) must obtain written evidence from sellers.

Certain individual sellers are not required to register to collect sales tax if they qualify for the isolated and occasional sales exemption. To qualify, all the following conditions must be met:

- The seller participates in only one event per calendar year that lasts no more than three days;
- The seller makes sales of \$500 or less during the calendar year; and
- The seller provides a written statement to that effect, and includes the seller's name, address and telephone number.

This isolated and occasional sales provision applies to individuals only. It does not apply to businesses.
